

AMMAR KABEEL

Senior SEO Specialist | Digital Marketing Specialist | SEO Content Strategist | E-commerce SEO
Riyadh, Saudi Arabia | +966 55 081 3026 | ammarashraf332@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

Senior SEO Specialist, Digital Marketing Specialist, and SEO Content Strategist with 3+ years of focused SEO experience and a wider background in journalism, public relations, social media, and digital content since 2018. Experienced in improving organic visibility, building SEO content systems, analyzing Google Search Console data, and optimizing Saudi e-commerce stores across different niches through on-page SEO, search intent, internal linking, technical SEO fundamentals, and conversion-focused content.

KEY ACHIEVEMENTS

- Optimized LinkedIn personal brand presence for SEO, helping the profile gain strong Google visibility for the branded query “Ammar Kabeel” and grow to 1.1K+ followers.
- Worked on SEO for multiple Saudi e-commerce stores across different niches, including category optimization, product content, metadata, internal linking, and content planning.
- Built SEO content structures for service pages, blogs, course pages, product pages, and landing pages with clear hierarchy, FAQs, search-intent alignment, and conversion-focused CTAs.
- Used Google Search Console to identify indexing issues, CTR opportunities, content gaps, ranking movement, and pages needing updates or stronger internal linking.

PROFESSIONAL EXPERIENCE

Senior SEO Specialist | SEO Acuity | 2024 - 2026 | Riyadh / Remote

- Led SEO strategy and execution for Arabic websites and Saudi-focused e-commerce projects, combining technical SEO checks, content planning, and search-intent optimization.
- Analyzed Google Search Console performance to monitor impressions, clicks, CTR, average position, indexing coverage, discovered pages, and content opportunities.
- Optimized category, product, service, and blog pages through keyword mapping, metadata, heading structure, internal links, image alt text, FAQs, schema basics, and CTA placement.
- Prepared SEO recommendations and content briefs for commercial pages, supporting better organic visibility, topical relevance, and conversion-focused landing page structure.

E-commerce SEO Consultant / Project-Based SEO | Saudi E-commerce Stores | 2023 - Present | Saudi Arabia / Remote

- Worked with multiple Saudi e-commerce stores across different niches, both remotely and during travel periods in Saudi Arabia.
- Improved store SEO foundations through product/category copy optimization, internal linking, URL logic, metadata, content refreshes, and crawl/indexing reviews.
- Supported organic growth planning by identifying search-demand opportunities, commercial keywords, content gaps, and high-priority pages for optimization.

SEO Content Writer | Goal Maker | 2022 - 2024 | Remote

- Created SEO-friendly Arabic content for blogs, service pages, landing pages, backlink articles, and commercial content assets.
- Applied keyword research, search intent, H1/H2 structure, meta title/meta description optimization, and internal-linking recommendations.
- Prepared content that balances Google-friendly structure with clear reader value, topical depth, and conversion-focused messaging.

PROFESSIONAL EXPERIENCE CONTINUED

Social Media Specialist | Life Makers Foundation - Ain Shams University | 2021 - 2022 | Cairo, Egypt

- Managed social media content for student/community initiatives, including campaign ideas, captions, post planning, and audience engagement.
- Supported digital communication activities by turning campaign goals into simple, clear, and shareable content.

Social Media Specialist | UP - Shoghl Souq Masri | 2020 - 2021 | Egypt

- Created and scheduled social media content for a local Egyptian market/business project, focusing on product/service promotion and engagement.
- Worked on captions, campaign posts, page activity, and content ideas aligned with audience needs and brand messaging.

Public Relations Specialist | Egyptian Youth Council | 2019 - 2020 | Egypt

- Supported public relations activities, communication coordination, event-related content, and stakeholder-facing messaging.
- Developed communication skills later applied to digital marketing, content strategy, and brand visibility work.

Editorial Reporter / Journalist | Cairo-based Newspaper - Reports & Investigations Desk | 2018 - 2019 | Cairo, Egypt

- Produced journalistic reports and investigative-style content, including research, interviews, information organization, and editorial writing.
- Built strong foundations in content research, headline writing, narrative structure, and audience-focused communication.
